Semi Finals & Final								

Rules

2 wood pairs, 15 ends, 2 trial ends.

No-ends will not be replayed and will forfeit 2 shots.

Mats to be drawn for on the day.

For each fixture, the first named in a pair is the skip and the second named is the lead.

Both players in a pair will be awarded 2 points for a win and 1 point for a draw.

The two players with the highest points score (followed by shot difference then shots scored) will be winners of their pool.

A play off of pool winners will determine the overall winners (TBD).

Please inform your opposition if you are unavailable for a fixture, and re-arrange for one of the spare dates (see fixture list).

The competition organiser is to be informed of re-arranged matches.

These fixtures have a change of date.

These fixtures will need to be re-arranged
